

SNEEZE GUARD BARRIER SOLUTIONS

Minimize Exposure

Protect your customers and staff from exposure with our standard solutions or customize to suit your counter space. Our standard solutions range in size from 24x32 to 32x72" and offer one or two "pass-thru" slots. They are portable but can also be attached with foam tape or further secured with screws.

CASHIER STATIONS

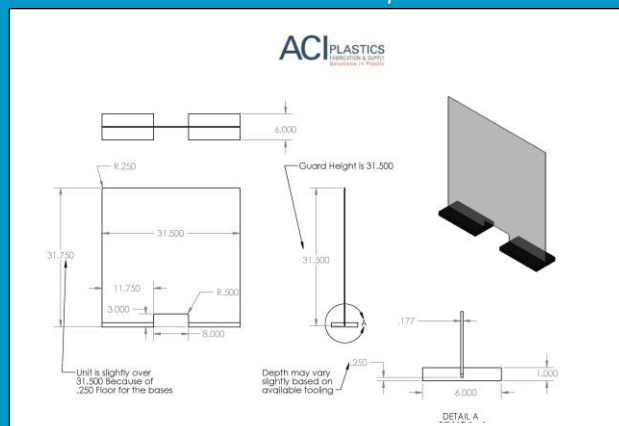

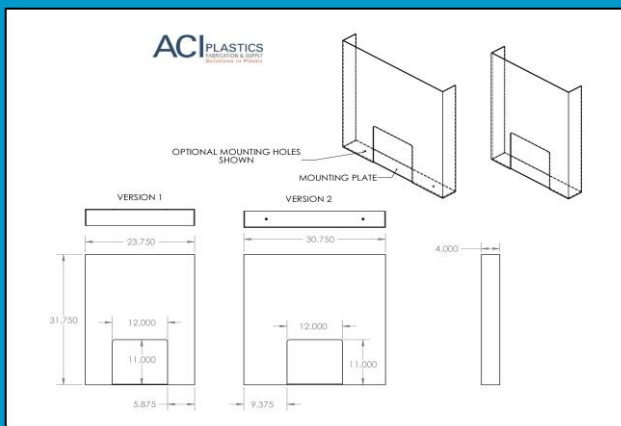

- Bent sides for extra rigidity
- Base plate for mounting

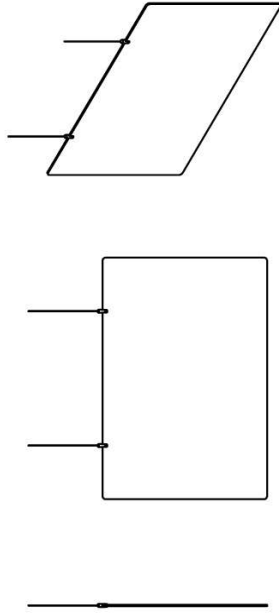

COUNTER SOLUTIONS

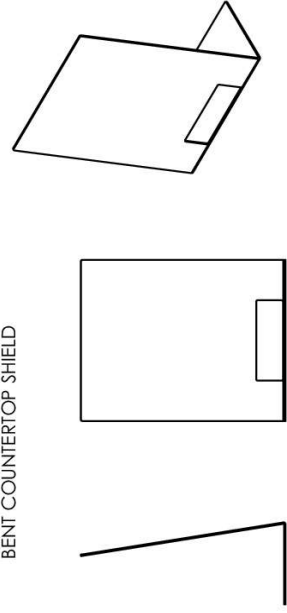

- Single panel
- Portable or secured
- Pictured 32x72 with 2 pass thru slots
